Hi Aaron,

Not sure if this fits with what you're looking for, but Daniela and I could put together numbers on the amount of RCRA and CERCLA financial assurance secured during the year, both new and ongoing commitments.

Let me know if you'd like us to put something together.

**Subject:** Performance Assessment

Good morning everyone!

I have a quick request for both groups. OECA is visiting the Region in May and part of that visit, ECEJ is putting together a Performance Assessment to provide before the visit. The assessment focus is to highlight work that we do as an organization that

doesn't necessarily get tracked with all the formal beans. Please share any ideas you might have with me for work done in FY15 that would be great to highlight to OECA that we normally don't get credit/opportunity to highlight. This is really a chance to demonstrate that a lot of great work is done outside of the formal commitments. Thanks everyone!
